

Twice the
knife service life!

Twice the service life with Strautmann ORIGINAL PARTS!

We tested:

- Replica forage wagon knives compared to Strautmann ORIGINAL forage wagon knives
- Test setup: In a Giga-Vitesse^{CFS} 4001 DO, 8 cutting knives were replaced by replica parts. After 360 transported loads we evaluated the result:

Replica

6 knives prematurely defective

- 2 knives bent
- 4 knives broken

Intensive wear

- Frequent change of knives
- Worse cutting quality
- Dangerous metal in the fodder!
