Online training via Microsoft Teams

For our online training you need the following equipment:

Requirements:

- PC or Mac with microphone and speakers
- Webcam (optional)
- Stable internet connection

Hints:

You **don't** have to install Microsoft Teams for the training! You will receive an email from us with an access link so that you can take part in the training. Separate, quiet workplace – loud background noises could disturb the course participants. Training material is made available digitally.
